

MINIATURE HORSE FEDERATION Inc.

Return form to: Miniature Horse Federation Inc.

PO Box 146

GULGONG NSW 2852

DNA APPLICATION FORM

Email: registrar@miniaturehorsefederation.com

Cost \$80.00 Per Horse

Testing types available for Miniature Horse Federation Inc. horses:

DNA Type – The horses DNA is kept on file for future foals born by/from it to be parent verified.

PARENTAGE – Progeny is DNA tested to match parents. Both Sire and Dam's DNA must be on file to achieve this.

MATERNITY – This is to confirm the progeny's DNA match to dam. Dam's DNA must be on file to achieve this.

PATERNITY - This is to confirm the progeny's DNA match to Sire. Sire's DNA must be on file to achieve this.

Horses Registered Name	Federation Reg. No.	Tick if brands or microchip no. match that on the registration papers and on the horse		DNA	Parentage	Maternity	Paternity	AMOUNT
