CONTACT DETAILS (phone) _____ QUALIFICATIONS: _____

SIGNATURE OF ATTENDING VETERINARIAN: _____ DATE _____

You may not need to produce a stallion Veterinary Certificate of Soundness (VCS) if the following applies:

- * The adult stallion has already passed a VCS with another recognised miniature horse association,
- * Poof can be provided to show SVSC was carried out and passed. (permanent adult stallion papers)
- * The Certificate of Soundness was carried out in the stallions third year & not younger.

Check list for owner when Vet comes

- Official measuring stick – remember measure at the highest point of wither and in hands and inches
- Access to level measuring surface.
- Red pen and Black or Blue pen.
- Applicable registration papers from either the federation or other association accepted by the Federation
- The front and back of this form.
- If horse is micro-chipped, make sure Vet brings compatible scanner or one is on hand.
