All stallions 36 months and over, registering with MHF must have DNA on file with or accessible to MHF, before foals will be recorded with MHF.

Stallions and mares registered with MHF may not be bred with prior to 36 months of age.

Stallions must have had a Veterinary Certificate of Soundness carried out with MHF or with an association recognized by MHF at the time of, and before being bred with.

No horses registered name is to duplicate or be spelt differently but could be pronounced the same as any stud prefix registered with the Association. All horses registered names must have an identifying name as well as a stud prefix. A breeder may not use the same name under the same prefix more than once.

I/We hereby certify that all the information on this application is correct to the best of my knowledge and belief. In consideration of Miniature Horse Federation Inc. accepting this application and issuing any documents based thereon I/we agree to be bound by the Rules of the Association from time to time amended. I understand and agree that information of the horse described in this application including owner contact details, may be supplied to the public.
